

The
COVISTRESS
study

Already 40,000 responses,
Your opinion matters !

Response time
7-8 minutes

Link to the survey:

<https://redcap.chu-clermontferrand.fr/surveys/?s=MNL4WW7WH8>

Through this questionnaire, we wish to follow the evolution of the populations and to study the long-term impact of the changes induced by the Covid, in particular on work and personal life. This study is an international collaboration between several institutions (University Hospitals, Universities, CNRS, Occupational Health).
